TERMS AND CONDITIONS

1. A. Security Corporation (hereinafter Security) agrees, WITHOUT LIABILITY AND NOT AS AN INSURER, to sell to Customer/Subscriber and install the system or equipment listed in the proposal. Upon completion of installation, Customer/Subscriber agrees to pay to Security the sale price and installation charges outlined on the reverse. Security will compute and bill applicable sales tax upon completion. One and one-half percent (1-1/2%) per month will be added to all invoices in excess of 30 days.

B. WARRANTY: Security hereby gives Customer/Subscriber a limited one year warranty (unless otherwise specified on the reverse) on parts and labor that the system or equipment sold will be free from defects of material or workmanship under normal use. Security's sole obligation under this warranty is to provide replacement of component parts which are defective, which defect is not caused by improper maintenance or abuse by Customer/Subscriber or Acts of God, and which defect Security is notified of, in writing, by Customer/Subscriber during the warranty period. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED.

C. INCREASES: After the expiration of one (1) year from the date of completion of installation, Security may, at any time, increase the monthly service charge (monitoring) upon giving the Customer/Subscriber notice in writing. In the event Customer/Subscriber shall be unwilling to pay the increased monthly charge, the Customer/Subscriber may terminate this agreement upon giving notice, in writing, within thirty (30) days from receipt of Security's notice, provided Customer/Subscriber shall not be in default of any of the terms and conditions of this agreement. Failure to notify Security within said thirty (30) day period will constitute Customer/Subscriber's consent to the increase and all other terms and conditions of this agreement shall remain in full force and effect.

2. LIMITATION OF LIABILITY AND EXCLUSION OF WARRANTIES: The Customer/Subscriber understands and agrees that Security is NOT AN INSURER; that insurance, if any, shall be obtained by the Customer/Subscriber; that the payments or charges provided for herein are based solely on the value of the service as set forth herein and are unrelated to the value of the Customer/Subscriber's property or the property of others located on the Customer/Subscriber's premises; that SECURITY MAKES NO GUARANTEE OR WARRANTY, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS THAT THE EQUIPMENT OR SERVICES SUPPLIED WILL AVERT OR PREVENT OCCURRENCES OR THE CONSEQUENCES THEREFROM WHICH THE SYSTEM OR SERVICE IS DESIGNED TO DETECT OR AVERT.

The Customer/Subscriber acknowledges that it is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from a failure to perform any of the obligations herein, or the failure of the system to properly operate with resulting loss to the Customer/Subscriber because of, among other things: (A) the uncertain amount or value of the Customer/Subscriber's property or property of others kept on the premises which may be lost, stolen, destroyed, damaged or otherwise affected by occurrences which the system or service is designed to detect or avert; (B) the uncertainty of the response time of any police or fire department, should the police or fire department be dispatched as a result of a signal being received or an audible device surrounding; (C) the inability to ascertain what portion, if any, of any loss would be proximately caused by Security's failure to perform or by failure of the equipment to operate; (D) the nature of the service to be performed by Security.

The Customer/Subscriber understands and agrees that if Security should be found liable for loss or damage due from a failure to perform any of the obligations herein, but not limited to installation, maintenance, monitoring, service or the failure of the system or equipment in any respect whatsoever, Security's liability shall be limited to Two Hundred Fifty (\$250.00) Dollars, as liquidated damages and not as a penalty, and this liability shall be exclusive; and that the provisions of this section shall apply if loss or damage, irrespective of cause of origin results directly or indirectly to persons or property, from performance or non-performance of the obligations imposed by this contract, or from negligence, active or otherwise, of Security, its agents, assigns, or employees. In the event that the Customer/Subscriber wishes to increase the maximum amount of such damages, Customer/Subscriber may, as a matter of right, obtain from Security a higher limit by paying an additional amount proportioned to the increase in damages, but such additional obligation shall in no way be interpreted to hold Security as an insurer.

In the event a connection is made with, or an alarm signal is transmitted to, a police department or other organization, such department or other organization may invoke the provisions hereof against any claims made against them by the Customer/Subscriber or by others.
